

NORTHERN TIGERS FC

KooGa®

As Part of your Club 50 Membership, you receive One Special Edition Media Polo Shirt with each Club 50 Subscription.

Made by KooGa, this State of the Art quality garment uses patented hydrophillic technology. This ensures the shirt is comfortable, durable and the ultimate in breathable fabric. It pulls moisture away from the skin for rapid evaporation with a quick dry effect.

Celebrating our official partnership with Suttons Waitara this Season, your Polo has embroidered logos of all of their car brands and our new design Club Logo.

This is a Collector's edition piece of Club Merchandise, celebrating 50 Years of Ku-ring-gai Representative Football in 2010.
